Martin Lutherstr.89.

Hochgeehrter Herr Professor?

in der Anlage erlaube ich mit, Ihnen den Katalog der Papyrisammlung meines verstorbenen Onkels, Professor Gradenwitz, zu übersenden.

Warum der Katalog seiner Zeit auf englisch abgefasst worden ist, entzieht sich meiner Kenntnis. Nach Rücksprache mit Herrn Professor Schubart habe ich den vorhandenen Katalog als Grundlage benutzt; die von Herrn Professor Schubart bestimmten Stücke sind in deutscher Sprache angegeben, das andere haben wir auf englisch abgeschrieben und mit dem vorhandenen Bestand verglichen.

Da ich garnicht sachverständig bin, also nicht dafür einstehen kann, dass der Katalog mit dem jetzigen Bestand genau übereinstimmt, so wäre es doch wohl ratsam, dass Sie die Sammlung von einem Sachverständigen begutachten liessen. Sollten Sie das für überflüssig halten und uns schon auf Grund des Kataloges ohne Besichtigung ein Angebot machen wollen, so ist uns das natürlich auch recht.

Ich verbleibe mit den besten Empfehlungen

Ihre

Ihnen sehr ergebene

Friedrich Gossman
